

# Education Model Design/Development

Audio recording.

## In Helsinki

1. Think about the aspects of educational model, all together in big group. Illustrated in mind map.
2. Divide in smaller groups of 3-4 persons. Based on experiences in Exeter and Helsinki, design together the content of the educational model aspects.
3. Discussion in big group, all together.

## Next

1. Divide in 7 groups. One 'branch' for each group.
2. Discuss together and write in word doc:
  - a. What does each small branch mean?
  - b. How and where to get the information to prepare each topic?
3. Send by email to Mari: [mari.salovaara@helsinki.fi](mailto:mari.salovaara@helsinki.fi)

Discussion in big group at 10:15
